Part 3: Faith In Action

How do we use our faith? How can your faith give substance to your hopes? Faith must have corresponding actions in order for your faith to be complete.

1. Faith must have **CORRESPONDING** actions. James 2:14-23, Acts 14:7-11

2. Two corresponding actions to faith.
#1. **ACT** on your faith. Great miracles take place when you act on God's Word in faith. Joshua 6:2-20, Luke 17:11-19

#2 **SPEAK** your faith. Faith's confession creates realities. Mark 11:12-23, Numbers 13 & 14, Mark 5:25-35, Romans 10:8-10

3. The **KEY** to confessing your faith. Luke 6:45

Conclusion: As we learn to live a life of faith it is important to understand our faith must have corresponding actions. We must act on our faith and speak our faith in order for our faith to become complete and give substance to our hopes.
