Part 4: Faith's Strong Foundation

In order to have a life of faith we must build our faith on a strong foundation. If we base our faith on God's Word and character, we will have strong steadfast faith.
Romans 4:16-23

1. Abraham's faith was based on God's **WORD**. Romans 4:16-19, Psalm 119:89

2. Abraham's faith was based on the God's **CHARACTER**. Romans 4:19-21
 - a. God is able. Romans 4:21

 - b. God does not lie. Numbers 23:19

 - c. God is faithful. Hebrews 10:23

3. Meditate on the truth of God's Word and your faith will be based on God's Word and character, and not based on feelings, circumstance, or man's opinions.

Conclusion: If we base our faith on the foundation of God's Word and character our faith will be strong, steadfast, and unshakable. Then we can truly live a life of faith.

Discussion questions.

1. Why should we base our faith on God's Word?
2. What should we base our faith in the character of God?
3. What can you do to build our faith on God's Word and character?
