A Strong Family - Part 1: A Christ Centered Life

Today we will learn what a Christ centered life is, how to live a Christ centered life, and how living a Christ centered life builds strong families. Colossians 1:16-18

1. A Christ centered life is a life that is lived for Jesus Christ. All we do we do for Him in a way that glorifies Jesus in this world. A Christ centered life is a life that is yielded to God and His will for our life.
2. Three aspects of a Christ centered life. 1 Chronicles 28:9
 - a. **SEEK** HIM: Psalm 63:1-5, 8
 - b. **KNOW** HIM: 2 Peter 1:3-4, Proverbs 3:5-7
 - c. **SERVE** HIM: Colossians 3:22-24, Ephesians 2:10,

Conclusion: A Christ centered life will build a strong family. When we seek, know, and serve Him God works in our lives more, we will experience and receive from God more. This enables us to build a strong life, which will enable us to build a strong marriage and family.
