Touching Thailand Series Part 4 - By the Power Unity

Today we celebrate and praise God for all the things He has done through Rhema Church Bangkok the past 19 years. But as we celebrate, we must also consider and plan for the things God wants to do in the future. God wants to use Rhema Church Bangkok and you to touch Thailand by touching the lives of the people around you. Today we learn that we can touch and change Thailand with the power of unity.

Genesis 11:1-6

1. Unity brings **UNSTOPPABLE** power. Genesis 11:6

2. Becoming one to **BUILD** God's Kingdom. Genesis 11:1-4

3. How can we become **ONE**?

- a. By everyone saying the same thing and working together to accomplish the same goal. The goal is to touch and change Thailand.

Say: We are touching Thailand by the power of God.

Do: We are touching Thailand by starting Care Groups throughout Bangkok.

- b. The strategy to successfully touch and change Thailand is:

- i. 1-Touch-1 - Taking the love and power of God to others.

- ii. Care Groups –Powerful ministry centers all throughout Bangkok.
