**Part 4: The Specific Anointing to Minister.**

In addition to the general anointing every believer also has a specific anointing for the ministry God has called you to. Today you will learn what the specific anointing is, what you can do with the anointing and how to activate the anointing.

1. God has a specific ministry anointing for you. 1 Peter 4:10-11
  
  
  
  
  
  
  
  
  
  
2. Through the anointing you can minister life to others. 2 Corinthians 3:4-6
  
  
  
  
  
  
  
  
  
  
3. You activate your anointing through faith. Romans 12:3-6
  
  
  
  
  
  
  
  
  
  
4. How do you find your ministry anointing gift? Acts 6:1-6

Conclusion: God has a gift and an anointing for you. If you will receive and activate the gift by faith God will use you to minister life to others. You can touch others in a powerful way that brings change and makes people's lives better. This is real living. You have not truly lived until you have lived for God. Serving God by serving others with the specific anointing is truly living for God.

Discussion questions:
