You Are Anointed - Part 1: What Is The Anointing?

The anointing is an important part of our Christians life and ministry. As believers, we need to understand and walk in the anointing. In this series we will learn what the anointing is, the different types of anointings, and how to walk in the anointing.

1. The anointing is God's power upon you for service. Luke 4:14, 18-19
2. The anointing is the burden removing, yoke destroying power of God. Isaiah 10:27, Acts 10:38
3. What is the purpose of the anointing?
 - a. To give you power and give you a supernatural ability to walk in the abundant life and to minister to others. So that you and those you minister to can be free from burdens and yokes.

Conclusion: The anointing is the power of the Holy Spirit coming upon you to serve God and serve man, and the burden removing, yoke destroying power of God upon you to set people free.
