

BELIEVE THAT YOUR HANDS ARE ANOINTED

Introduction: God wants to work through you to touch people's lives. To bring healing to them. God wants to heal people and He wants to do it through your hands.

1. It's what Jesus did. He healed ALL that were sick.

Acts 10:38 how God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him. NKJV

2. God has commanded every believer to do the same.

He would not give a command like that if He knew we could not do it. Therefore, it must be possible. What has God done to make this possible?

Mark 16:17-18 And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues; 18 they will take up serpents; and if they drink anything deadly, it will by no means hurt them; **they will lay hands on the sick, and they will recover.**" NKJV

3. I'm a New Creation. I'm a supernatural Being
4. We have all been given a ministry – reconciliation.

2 Corinthians 5:17-18 17 Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new. 18 Now all things are of God, who has reconciled us to Himself through Jesus Christ, and has given us the ministry of reconciliation, NKJV

5. Believe that You have an 'Anointing' through the Holy Spirit (Spirit of Christ).
1 John 2:20 But you have an anointing from the Holy One, and you know all things. NKJV

6. Christ means 'Anointed'. Strength means 'power' from the Greek word 'Endunamoo' which is Gods power.

Philippians 4:13 I can do all things through Christ who strengthens me. NKJV

Conclusion: Jesus was in the ministry of reconciliation. A major method was healing people. God still uses that method today but now Jesus wants to do it through you. Through your hands. Believe that God wants to work through your hands to heal people. Believe that your hands are anointed of God.

Mark 16:18 18 they will take up serpents; and if they drink anything deadly, it will by no means hurt them; **they will lay hands on the sick, and they will recover.**"
