Part 2 - The Guide Inside You

Guidance from God in the New Covenant is much different from guidance in the Old Covenant. Now in the New Covenant, the Guide, the Holy Spirit dwells within us and guides us from within, not from the outside.

1. The Holy Spirit was sent to guide you – John 16:13, Romans 8:14

2. The Holy Spirit will lead you within your spirit – Proverbs 20:27

3. The Holy Spirit communicates with your spirit – Romans 8:16, Galatians 4:6

Conclusion: The Holy Spirit was sent to guide you. He guides you within your spirit. Learn to look to the inside and to recognize the Holy Spirit communicating to your spirit.
