Sunday, 15 August 2021 Every Good Thing That Is In Us

The purpose of this sermon is to learn and acknowledge that Christ is in you. Because Christ is in you, then every good thing that is in Christ is also in you. God put all you will need in Christ, and then He put Christ in you. When you begin to accept and speak what is in you through Christ, your life will change, and you will start to win in life. The revelation of every good thing in you in Christ Jesus is a key to winning in life.

Philemon 1:4-6 (THSV)

1. Jesus came that we might have the life of God in us, just as Adam did in the beginning – Genesis 2:7, John 4:10-19, John 10:10

2. The Christian is a container of the life of God – 2 Corinthians 4:7-13

 God put everything we would ever need in Christ because He knew He was going to put Christ in us – Colossians 1:19, 26-27, Colossians 2:10-13

<u>Conclusion:</u> Every good thing has been placed inside you through Jesus when you received Christ as your savior. You are a container of the life of God. When the Christian gets this revelation and acknowledges it, accept and speak what they have in them; they will become fulfilled and begin to win in life.
