Celebration of Life

As we celebrate the resurrection life we have in Jesus, it is essential to remember that Easter is not the ONLY day we celebrate life. As Christians who know what we have in Christ, we should not forget why we celebrate our new life every day.

1. Two reasons why we celebrate life

1.1 Because our debt has been paid – Colossians 2:14 (NASB)

1.2 Because we have been made alive - Colossians 2:13

2. How did God do all this for us?

2.1 By faith in the resurrection of Jesus Christ – Colossians 1:12

Conclusion: God wants you to celebrate life every day because of what Jesus has done for you through His resurrection. You can celebrate life because you have been made alive and because your debt has been paid.
