Exceedingly Growing Faith Series - Part 2: Your Faith Can Increase

In this sermon, you will learn that faith can be measured, that as your faith increases, your ability to walk in the abundant life also increases, and that you are the biggest winner. We will discover why every believer should commit to doing what is necessary for their faith to grow exceedingly.

- 1 Faith can be measured
 - 1.1 The Bible speaks of little faith – Luke 12:28
 - 1.2 The Bible speaks of great faith – Matthew 8:10
 - 1.3 The Bible speaks of weak faith – Romans 4:19
 - 1.4 The Bible speaks of Strong faith – Romans 4:20
- 2 Increased faith brings increased fruitfulness and blessing
 - 2.1 We walk in the abundant life by faith – 2 Corinthians 5:7
 - 2.2 Increased faith brings increased promises – Hebrews 6:12
 - 2.3 Increased faith makes all things possible – Mark 9:23
 - 2.4 Increased faith brings increased victory – 1 John 5:4
- 3 You are the biggest winner
 - 3.1 The devil is the biggest loser – Hebrews 2:14-15
 - 3.2 You always win - 2 Corinthians 2:14, Philippians 1:21

Conclusion: We have seen that faith can be measured and can increase. We have also seen that as our faith increases, we will begin to walk in victory and the abundant life more. Therefore, commit to doing what is necessary for your faith to grow exceedingly.

Discussion Questions:

1. Does God give everyone the same measure of faith?
2. When our faith grows exceedingly, what will increase in our lives?
3. How can you know that you are the biggest winner?
