Prosperity Series - Part 4: Biblical Principles of Prosperity: The Law of Sowing and Reaping

God established the law of sowing and reaping that works both in the natural and the spiritual. The law of sowing and reaping is one of God's biblical principles to prosper His people.

Define the law of sowing and reaping: The law of sowing and reaping is that God created a seed with the potential to multiply and produce much more once the seed has been sown.

- 1 The law of sowing and reaping is a natural law – Genesis 8:22

- 2 The law of sowing and reaping is also a spiritual law - Galatians 6:7-10

- 3 The law of sowing and reaping is applied to financial prosperity - 2 Corinthians 9:10-11

- 3.1 God can multiply what you give to Him - John 6:1-13

- 3.2 God can multiply in impossible circumstances - Genesis 26:1-3, 12-14

Conclusion: Sowing and reaping is a biblical principle God uses to prosper His people. When we sow, God blesses us, and the blessing of the Lord makes us rich.
