Prosperity Series - Part 5: Biblical Principles of Prosperity: Tithing

God's plan for giving and receiving begins with the tithe. Today we will learn God's purpose for the tithe is to honor God; the tithe belongs to God, and tithing is still for today.

1 Honor God with your tithe

1.1 Abraham gave tithes to God's High priest – Hebrews 7:1-3, Genesis 14:18-20

1.2 Abraham honored God with the tithe - Proverbs 3:9-10

2 The tithe belongs to God

2.1 The tithe is the Lord's and holy - Leviticus 27:30

2.2 Do not rob God - Malachi 3:8

3 Tithing is still for today

1.1 Melchizedek is a type of Christ – Hebrews 6:19-20

1.2 Abraham gave the tithe before the law from a grateful heart and to honor God – Hebrews 7:4-8

1.3 Today, like Abraham, we tithe with a grateful heart to honor God, and Jesus receives our tithe.

Conclusion: Tithing under the New Covenant is not a law. God wants us to give to honor Him and express our gratitude.

Discussion Questions:

1. Why did Abraham give the tithe to God?
2. To whom does the tithe belong?
3. What does the New Testament say about tithing today?
