Walking in Victory

The Bible reveals it is always God's will for His children to experience victory and success. That does not mean Christians will never face trials or difficulties. But it does mean God's will for you to experience victory and success in every trial and difficulty.

1 God will always lead you into victory and success - 2 Corinthians 2:14, James 1:2-4

2 Two methods God leads the Christian

2.1 God leads by His Word - Psalm 119:105

2.2 Example: Moses and Israel at the Red Sea

3 God leads by His Holy Spirit - Romans 8:14, 16

3.1 The Holy Spirit led Paul where to preach - Acts 16:6-10

3.2 The Holy Spirit led Paul not to set sail - Acts 27:9:10

4 How to become sensitive to the Holy Spirit and recognize His leading

4.1 Completely yield your life to God

4.2 Pray in tongues every day

4.3 Meditate in the Word every day

5 Your victory reveals the true knowledge of God – 2 Corinthians 2:14

Conclusion: The leading of God that always takes us to victory and success is always available. We must learn to turn to God for leading and know how He leads us. Then we must choose to follow God's leading. When we do, no matter what we face, every situation will end with our victory and success.
