Living by Faith Series - Part 6: How to Use Our Faith 2

The primary way we use our faith is by what we say.

Truth to Take Hold Of: The primary way we put our faith into practice is by speaking with our mouths what we believe in our hearts—the Word of God.

- 1 Faith is released by our words.
 - 1.1 This is how you were saved. Romans 10:8-10
- 2 Jesus' teaching on faith. Mark 11:12-14, 20-26
 - 2.1 "Have faith in God" can also be translated as "Have the faith of God".
 - 2.2 Jesus teaches that if you have faith, you will speak. Matthew 21:21, Matthew 17:20, Luke 17:6
 - 2.3 Faith in our heart comes by hearing and meditating on God's Word.
 - 2.3.1 Find scriptures that promise what you need and begin to put the Word in your heart by meditating on those scriptures.
 - 2.3.2 Meditate means to speak the Word softly to yourself.
 - 2.3.3 When your heart is filled with God's Word and faith, you will speak faith. Luke 6:45
- 3 Bible examples of people who received by speaking faith.
 - 3.1 Abraham spoke his faith. Genesis 22:5
 - 3.2 The woman with an issue of blood was healed by speaking her faith. Mark 5:21-34.

Conclusion: The Word of God should not only be in our heart, but also in our mouth. Jesus taught that if we speak and do not doubt, we will have what we say.
