“Walking in the Wisdom of God”

In our daily lives, we constantly face decisions. The Word of God is full of His wisdom, which He has given to us to teach us how to live rightly. The wisdom of God is not merely knowledge or the ability to solve problems, but also the ability that comes from God to apply spiritual truth to our daily lives. It helps us make the right decisions, walk on the path of blessing and success in every area according to the will of God, and glorify God through our lives – James 3:17.

The truth to take hold of: A wise person not only knows the right way but also chooses to walk in that way with the fear of the Lord.

1. Seek the wisdom of God, which begins with the fear of the Lord
 - 1.1 Ask God for His wisdom and earnestly seek it – James 1:5; Proverbs 2:3–4
 - 1.2 The fear of the Lord is the beginning of wisdom – Proverbs 9:10; Psalm 111:10
2. Choose the right influences and reject bad influences
 - 2.1 Let the Word of God be the primary influence in your life – Proverbs 7:1–5; Proverbs 4:22
 - 2.2 Learn how temptation works and understand its consequences so that you will not follow bad influences – Proverbs 7:21–27
3. Learn from the ant about diligence, faithfulness, loyalty, and preparedness – Proverbs 6:6–8; 30:24–25

Conclusion: Today, we have learned that the wisdom of God is not merely the knowledge we possess, but the ability to apply God's truth to our daily lives. It helps us think and make the right decisions and choose to do things that are in line with His will. This helps us avoid unnecessary problems, leads us to a good life both in the present and in the future according to God's plan, and enables us to live a life that glorifies God every day.
